

In the Drawings:

The attached sheets of drawings includes changes to Figures 1 and 3, and replaces the original Figures 1 and 3.

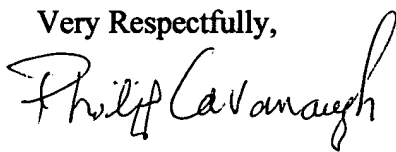

Remarks:

The office of data management had identified drawing deficiencies in two of the drawings in this allowed application. The deficiencies were that in Figures 1 and 3, both of which covered two sheets, that the second sheet was labeled the same as the first sheet, thus there appearing to be two Figures of the same name. This has been corrected in Figure 1, where the second sheet is now labeled as: "Figure 1 Continued". Likewise, the second sheet of Figure 3 is now labeled as: "Figure 3 Continued". In addition, the broad graphic arrows in the original figures have been replaced with more conventional arrows. Also, the elements of the figures have been moved so that the margins are correct.

Conclusion:

The applicant wishes to thank the office of data management for noticing the deficiency. The applicant submits that the figures are now in proper form.

Very Respectfully,

A handwritten signature in cursive script that reads "Philip Cavanaugh". The signature is written in dark ink and is positioned above the printed name.

Philip Cavanaugh,

Applicant
